The Day of Review is an opportunity to review the Drainage District boundaries of the Drains listed below and the apportionment of benefit with the Drain Commissioner or a staff member. Maps of the proposed Drainage District boundary revisions can be found on the Midland County Drain Commissioner’s website at: <https://co.midland.mi.us/DrainCommissioner.aspx>. The Drain Commissioner, engineers, and/or other staff members will be available to assist individuals throughout the day, and make revisions where necessary. There is no need to schedule an appointment for a specific time on the Day of Review.

A general description of the lands by section number proposed to be added or deleted from the Drainage Districts as recommended by a licensed professional engineer or surveyor for each of the Drains is as follows:

The computation of costs for the Drains listed above will also be available at the Day of Review. Drain assessments are collected in the same manner as property taxes and will appear on your winter tax bill. If drain assessments are being collected for more than one (1) year, you may pay the assessment in full with any interest to date at any time and avoid further interest charges.

Persons with disabilities needing accommodations for effective participation in the Day of Review should contact the Drain Commissioner’s Office at the number noted above (voice) or through the Michigan Relay Center at 7-1-1 (TDD) at least 24 hours in advance of the Day of Review to request mobility, visual, hearing or other assistance.
