October 30, 2018 PUBLIC MEETING #2

Swanton Memorial Center
7:00 pm-6460 N. Water Road
Edenville, MI 48620

Midland County Parks and Recreation invites you to a second public meeting as it continues to develop a master plan for the 117 acre property east of Sanford Lake Road. The county acquired this property from the Michigan Department of Natural Resources. We seek to maximize county resources and establish a vision for the property that balances good stewardship, county-wide recreation needs and a reflection of your interests and your values.

This event will give you an opportunity to review the draft master plan based on previous April 2018 meeting discussions.
